Mr. Howland Wood,
American Numismatic Society.

Dear Sir:

I have received your letter, and I thank you very much for the information. I have made some pencil rubbings of my Mexican revolutionary coins and I am enclosing them. The rubbings are not very clear, but if you want any additional information on any coin I'll be glad to send it.

Very truly yours,
George Flateau.

Dear Sir:

Please pardon the delay in answering your letter of May 3rd but for the past month we have been swamped with a large collection that recently came in. I have carefully looked over your rubbings of Mexican coins and find we have all but two of them, both of which are varieties of our specimens. These are No. 15 and 17 on your sheet, which I am herewith returning, for which we could offer you $3.50. You have several quite scarce coins, namely 19, 20, 21 and 25. If you care to sell these two send them along and we will send you a check.

Very truly yours,
